THE GAZETTE.

SATURDAY EVENING, SEPTEMBER 19.

GOVERNOT HOGG'S CATCH -Governor Hogg of Texas was recently down on the guif fishing. He relates an incident to to a Gazette correspondent thus: "I was sitting in the beat one day," he said, 'just inside the entrance to the pass, when I felt a nibble. I jerked the line gently, when I knew that I had him. I began to haul in and feit the line grow heavier. Then began a succession of savage rushes and all grew still as the breast when the spirit hath flown.

"When the end of the line came to the surface I found a tangle of fish. I had first hooked a snapper, the snapper had been seized by a terrapin, which was unable to free itself. The terrapin had been run through by a swcrofish which was fastened by his long binde, and a stingaree had wrap-ped himself around the swordfish and stong him to death. I suppose there must have been 300 pounds of mest on that hook." Asked if there was any one else in the boat the governor replied that he was alone .-Worth Gazette.
